

TOWNSHEND

Price: ₹5,190.00

DESCRIPTIONS: The TOWNSHEND Pendant Light is a sophisticated blend of natural wood and matte black steel, designed to evoke rustic warmth while maintaining modern elegance. Its elongated bar form—available in widths up to 1500 mm—makes it particularly well-suited to hanging over dining tables, kitchen islands, or other focal surfaces. The light uses standard E27 sockets and runs on 220-240 V, which fits easily into Indian household wiring.
