

## TOWNSHEND

Price: ₹6,760.00

**DESCRIPTIONS:** The fixture's mix of materials gives it a textured aesthetic: the warm wood tones balance the cool metal for a timeless, versatile look. With an adjustable suspension height, it can be customised to different ceiling heights and ensures the pendant hangs at an optimal level for both function and visual appeal. The Townshend pendant blends a warm wood beam with matte-black steel fittings, giving a tasteful mix of rustic and industrial aesthetics. This makes it ideal for dining rooms, kitchen islands or living spaces where you want both character and sophistication.
