

TOWNSHEND

Price: ₹12,400.00

DESCRIPTIONS: The TOWNSHEND pendant light combines warm wood and sleek black steel to create a striking blend of rustic charm and modern industrial style. The design features a horizontal wooden beam from which adjustable black lamp holders hang, allowing you to vary the suspension height to suit your space. Crafted from FSC-certified pine wood and steel, it fits effortlessly into dining rooms, kitchens, or living areas, especially those with long tables or kitchen islands. It supports standard E27 bulbs (not included) and operates at 220-240 V, making it compatible with Indian household wiring.
